On October 14 & 15, WITHOrg brings together global leaders and members of the hospitality industry to re-fuel our industry with thought leadership as we navigate the challenges of the day. WITHOrg continues its reputation of innovation by bringing together speakers and industry experts who inspire and educate, offer new approaches to business and share best practices.

Be part of the global event leading the way for equality of women. Our sponsors include leading hospitality companies that make gender equality and diversity the cornerstones of their successful business operations.

Through this partnership, your company is not only making a financial commitment to support this important cause, it is showing confidence in the experts, advocates and thought leaders working on these issues and opportunities.

Gender equality can't wait and people in positions of leadership can act now by sponsoring and attending the Global WITH Summit 2020.
