Since its inception six years ago, the Women in Tourism & Hospitality Summit has become the meeting place for individuals and companies committed to advancing women in the tourism and hospitality industry while creating an inclusive and diverse workplace. As part of the annual gathering, WITH has featured world-class speakers and networking opportunities to help professionals achieve excellence in their careers and industry segment. We are committed to inspire, to elevate, and to empower women, while working to create a more diverse and inclusive workplace.

Join us this year as we craft a “Blueprint for Change” that will allow women to ascend to leadership ranks, while creating a diverse and inclusive workplace allowing women to take their rightful place at the table, and in the process, create a stronger and more equitable world.

You don't want to miss this year's event!

Our respected and noteworthy speakers will present unique insights, share relevant research and inspire candid conversations.

And, once again, we will present two awards to recognize individuals and companies that have gone above and beyond to move the needle on diversity while making significant contributions to advancing women in hospitality.

Join us as we look to creating a brighter future where companies celebrate diversity and inclusion and create a workplace that values the talents and strengths of all.
